Thanks Robin, as always it was a great pleasure to be able interact with the CAG last night. It was also great to see the familiar faces, especially yours and Jims. I just hope you use logs (not pages) for that fire! ☺

Hey folks,
Great meeting last night!
Wow we are on our way to plowing through the RI, I am sooo excited to read all that data!!!
Thanks for giving me something to read during those long, cold winter nights in front of a roaring fire.
Enjoy the attached photos and feel free to use them as you see fit since I am not in any of them!
